LPHA EHR OPEN FORUMS

Share your experience.
Help inform what's next.

We've been asked to help gather LPHA feedback as Missouri explores electronic health records, technology infrastructure, and information sharing through the Rural Health Transformation Program.

We want to hear from you so we can accurately lift up and amplify local public health voices, experiences, and needs in statewide discussions. Join one of our virtual open forums and help ensure local public health perspectives are part of the conversation.

TOPICS WE'LL EXPLORE

- Coordination across healthcare and community partners
- Information sharing and referral workflows
- Integration between systems
- Data exchange and reporting requirements
- Successes and lessons learned
- Barriers, challenges, and gaps
- Opportunities to improve collaboration
- Tools and capabilities needed to support communities
