On Fridays, student will be given 2 breakfast and 2 lunch for Saturdays and Sundays. Meals will be handed out in the cafeteria from 12:-12:20pm and 2-2:20pm when students are completed with classes for the day. An admin will be doing meal count point of service as students pick up meals. For outside students, meals will be handed out in the school office. The reason for the two time frames is because we have credit recovery and credit advancement and they let out at two different times during the day.

Will be handing out on Tuesdays and Thursdays, 7 day's worth of meals
We will have a sign-up sheet for the parents or guardians with the parent's name, phone number, and the child's name, age, and birthday date. We will verify that they didn't pick up meals before the week's meal they picked up ends. Will also have anyone in the community that comes and wants meals, will fill out a sign-up sheet and track the children there as well to ensure they only pick up one time per week.
